To whom it may concern,

I am delighted to praise Glotech for their recent work with Size Group on a highly successful project in Mayfair. Glotech provided their services in several areas of the project by installing bespoke kitchens, wardrobes, and media units. The project was highly demanding, and Glotech worked with us at all times to deliver to exacting timescales and standards. The quality was superb, the timeliness was faultless. I can't recommend them more highly.

For and on behalf of Size Group

Yours sincerely,

A handwritten signature in black ink that reads "A. Wilson".
